HEAD START FAMILY CHILD CARE

Mahube Community Council, Inc. is seeking applications for contracted services from Family Child Care Contractors living in the Becker County area and the Hubbard County area.

The Head Start Family Child Care Contractor is responsible for offering quality child care in conjunction with comprehensive Head Start services for infants, toddlers and preschool age children enrolled in the Head Start Program.

The Contractor must have knowledge of child development, family systems, and childcare licensing requirements. Must understand the needs of low-income families and be able to honor confidential/private information. Must also work cooperatively with Head Start staff and early childhood staff from other community organizations.

The Contractor must comply with Head Start Performance Standards and Regulations. The Contractor must hold or be willing to obtain an Early Childhood Education Degree, Family Child Care or Infant/Toddler Child Development Associate (CDA) Credential, or AAS in Child Development, child care licensing through the County, a valid drivers license, vehicle insurance, and child care liability insurance.

Contact Peg Branham at 218-732-7204 or Joyce Duffney at 218-847-1385 for more information or to request an application.

Application deadline is Monday, November 30, 2009, 4:30 p.m.
